

Greetings ,

Your friends in Lancaster County want to help you get a leg up on high fuel prices and last minute group cancellations. We're offering some great low-cost tours that represent significant savings for you to pass along to your customers and help offset your fuel prices.

They're called "**Special Tours for Special Times**" and they're **ONLY** available from **September 2008 through February 2009**. And, to help you avoid last minute cancellations, comp minimums have been lowered to just 25 people!

The PA Dutch CVB wants to do whatever we can to help you keep your buses moving. We'll even help you sell it! Got a great co-op marketing idea? We'd love to hear about it! Or call us and let us give you some possible ways we might help.

Visit the [special offers](#) page on our website to see the Special Tours for Special Times. We think you'll be impressed with the quality and the prices! We'll be sending you updates as more great offers are added. Remember, these tours are for a limited time and for new bookings only. Don't delay - it's not too late to book 08!
